DT/ART	Pixel Pointillism I can use a computer software program to recreate art. I can change the colour and size of the dots.	Mastering-Mondrian I can add lines of differing width. I can add blocks of colour.	Producing Picasso I can produce at least 3 different shapes using a computer program. I can rotate, resize and colour shapes. I can arrange different shapes to recreate a piece of art.	Colour coding I can produce lighter and darker shades of a colour. I can match colours to particular moods and emotions. I can make two versions of a piece of art using different shades.	PC Pop Art I can retrieve a picture file and open it in a computer program. I can duplicate an image. I can alter the colours of each image to recreate a piece of Pop Art.
