Wow, Wow, Wow! It was such a privilege to welcome so many of you into the school this week to celebrate the children's learning in art and music. It is always such a pleasure to share the learning in such a practical way. Thank you to all the parents, grandparents, members of the wider family and family friends who were able to come. A special well done and thank you to those who suffered in the humidity of our hall! We do appreciate how hard it can be to come to these events and that you won't always be able to come so we were amazed at the turn out. Thank you all so much for investing in your child(ren)'s education. Next week proves to be just as busy as we move towards the end of term.

Attendance

We achieved **93.5%** attendance this week which is below the national average.

Year 5 are our attendance champions this week as they achieved 100% attendance. Amazing!

They were followed by Year 2 in 2nd place with 96.7% and Year R in 3rd place with 96.5%.

Our whole school attendance has improved since last week, lets keep it up!

Reading Awards

There is just enough time to top-up your reading at home to achieve this year's Reading Awards. The children have been challenged to read 6 Spine Books again this year. Those children that have read all 6 will receive an award in the Awards Assembly on 18th July. The Purple Reading Challenge will be awarded to children who have read at least 25 times since half term and the Rainbow Reader Gold Award will go to all children that have received all 6 Rainbow Reader Awards this year.

Supporting your children's learning

There are some useful resources on this website from the National Literacy Trust to help parents support their children's language and communication skills. We are also pleased to be welcoming Jo from Lavenham Library later in July to tell the children all about Suffolk Library's Big Summer Read. Suffolk Library have devised their own exciting reading challenge this year and we look forward to hearing all about it!
